PROFILE

As an aspiring professional with a strong foundation in various programming languages and a keen interest in iOS mobile development, I seek a position to leverage my technical skills to collaborate in a dynamic broadcast setting.

My current focus is on iOS mobile development, where I am actively enrolled in the Apple Developer Program and developing applications to publish on the App Store. I am eager to contribute to innovative projects, enhance my collaborative skills, and drive impactful solutions professionally. I am committed to continuous learning and excited about the opportunity to grow within a forward-thinking organisation.

EXPERIENCE

Sales Associate/Pharmacist, Eclipse Pharmacy, London — 2024

Key responsibilities included customer service, managing deliveries, stocking and cleaning shelves, pricing items, distributing prescriptions, and de-labeling old prescriptions.

Sales Associate, Pill Box Pharmacy, London — 2018

Key responsibilities included customer service, delivering parcels, stocking shelves, cleaning, and assisting pharmacists.

EDUCATION

University of Westminster, London — Computer Science, 2021-2024

Monoux College, London — Maths, IT, Design Engineering and Construct (DEC), 2019-2021

SKILLS

- Proficient in HTML, CSS, Java, Python, Swift and SwiftUI
- Mobile App development and Firebase integration
- Attention to detail and App Store optimisation
- GitHub management and computer proficiency
- Strong communication, teamwork, and collaboration abilities
- Excellent listening skills and customer service
- Digital marketing expertise, including social media and web analytics
- Strong mathematical skills and problem-solving abilities

ACHIEVEMENTS

Bachelor of Science in Computer Science (First Class Honours)
