AREA OF EXPERTISE

Swift/SwiftUI • Java • Python • HTML • CSS • Tailwind CSS • React • TypeScript • Firebase • Supabase • Git/GitHub • Canva • Problem-solving • Teamwork • Attention to detail • Digital Marketing

PROJECTS

List It - To do list and note taking app | Remote

May 2025 - June 2025

- Co-developed a cross-platform to-do list and note-taking app (iOS: Swift/SwiftUI, MVVM; Web: React/TypeScript) with Supabase backend for secure authentication and real-time syncing.
- Iterated through multiple releases, adding features, fixing bugs and updating UI, achieving 13 downloads, 6.25% conversion rate, and 0 crashes, delivering a seamless user experience

RevuLink - #1 NFC & QR Review Solution | Remote

May 2025

- Developed an iOS app in Swift, embedding the RevuLink website via WebView for seamless in-app browsing and enhanced user experience.
- Designed onboarding and splash animations, collaborated with the client on feature tailoring, and navigated Apple's review process to ensure a successful App Store launch

Canvas Connect - Digital Hub for Artists | University of Westminster

Sep 2023 - Jan 2024

- Built Canvas Connect, a social media app for artists using Swift/SwiftUI, conducting user surveys to guide feature development and design improvements
- Implemented automatic watermarks and additional features, integrated Firebase for authentication and media management, and tested thoroughly to deliver a secure, reliable, and engaging user experience.

PROFESSIONAL EXPERIENCE

JD Sports - Seasonal Staff | Westfield Stratford

Dec 2024 - Jan 2025

- Managed inventory, including scanning, dispatching, pricing, and restocking footwear, ensuring timely product availability and supporting the company's operations across its extensive store network
- Improved stockroom organisation and accuracy, while receiving positive feedback for teamwork and contributing to a high-quality customer experience.

Eclipse Pharmacy - Pharmacy Assistant | Walthamstow High Street

Aug 2024

- Delivered exceptional customer service by addressing inquiries, resolving issues, and ensuring a seamless shopping experience.
- Managed inventory and prescription workflows, including timely stocking, accurate pricing, workspace organisation, and adherence to regulatory standards.

Pill Box Pharmacy - Retail Assistant | St James Street E17 7PJ

Jun 2018

- Improved customer satisfaction by promptly addressing inquiries, managing parcel deliveries efficiently, and maintaining a clean organised workspace to create a safe and welcoming environment.
